Exhibitors wishing to sell merchandise at the Fair are required to submit to event officials IN ADVANCE and DISPLAY AT THEIR BOOTH their Sales Tax Identification Number. No exhibitor will be permitted to sell items otherwise. Arrangements for exhibitors to provide sample items will be made on an individual basis.

KUTV2 requires that you add additional liability coverage to your existing policy to insure against accidents occurring in or near your display area. KUTV2 liability coverage does not extend to you and does not protect your interests.

This agreement does not include ancillary charges that may be incurred through event participation. These charges may include, but are not limited to, material handling, labor, electrical, internet and additional furnishings. Our team will work with you to determine any additional event participation costs based on your display plans.

This agreement is firm and non-cancelable. This is one of four documents that need to be signed *before* sponsorship is locked.
